Weekly Hands-on Independent Tutoring Program
whitprogram.org

We are a nonprofit organization that provides free tutoring to children in Texas with an open DFPS case, including those in foster care, kinship care, or Family-Based Safety Services (FBSS). Our services are available to children who are not in Special Education and do not have an IEP; however, children with only 504 accommodations are eligible.

TEXAS STUDENT REFERRAL FORM

Student name: _____DOB: _____
